

Training Request Form

Please submit this form to EH&S at least six (6) weeks in advance of the proposed date. We will reply to your request within five business days. If we can accommodate the request, a fixed-price fee may be necessary, and we will offer a proposal for your approval. If you request a new training course, development time may be longer than 6 weeks, in which case the timeframe will be designated in the proposal. Submit request by email to ehstrain@uw.edu or paper to Box 354400.
