

ORDERING A SPILL KIT

EH&S HAS CREATED A GENERAL PURPOSE SPILL KIT CUSTOMIZED FOR CHEMICAL SPILLS OF UP TO ABOUT ONE GALLON IN VOLUME, AND A CUSTOMIZED SPILL KIT FOR MERCURY SPILLS. BOTH ARE AVAILABLE FOR PURCHASE IN THE ARIBA SYSTEM.

TO ORDER A SPILL KIT

1. If you are an authorized Ariba purchaser, log into [Ariba](#) with your UWNetID.
2. From the Procurement Dashboard (left menu), click "Requisition."

Procurement Dashboard

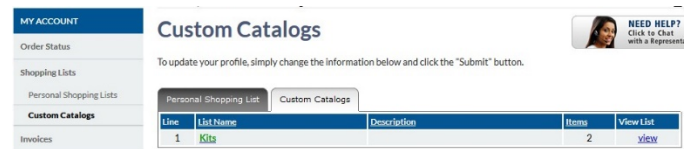

3. Scroll down the list of suppliers and choose "VWR."

4. Click on the green button "Buy from Supplier."

5. Click on the "Custom Catalogs" link under Shopping Lists, and then click on the "Kits" link.

6. Click the "general spill kit" (for chemical spills) or the "mercury spill kit" to purchase.

Category	Description	VWR Catalog #	Unit	Customer Catalog #	Customer Notes	Quantity
SPILL KITS	UNIVER OF WASHINGTON GENERAL SPILL KIT	470221-664	Kit of 1			1
	UNIVER OF WASHINGTON MERCURY SPILL KIT	470221-666	Kit of 1			1

If this list requires maintenance, please contact your company's VWR.com administrator or your VWR sales representative.
