

TEMPORARY EXTENSION REQUEST: COVID-19 VACCINE

Dear Health Sciences Student,

Students are required to complete the 2023-2024 COVID-19 vaccine by the due date specified in their CastleBranch account. This is a required vaccination based on the [CDC guidelines for healthcare workers](#) to remain [up-to-date with COVID-19 vaccines](#).

A temporary extension for the updated COVID-19 vaccine requirement will be granted for up to 90 days following a recent COVID-19 infection. By completing and signing this form, students are attesting to their positive COVID-19 testing date. HSIP reserves the right to request COVID-19 testing results to confirm the information provided on this form. Suspected falsification of information is grounds for disciplinary action and will be referred to the student conduct office.

Schools/programs are notified if students have not met immunization requirements.
