

# Training Recharge Policy – FY25

Units or departments can [request a class](#) for their personnel.

EH&S recharges training vendor fees, space reservation fees, and materials costs for classes requested by units or departments. The unit must provide budget information two weeks prior to the class date. If all attendees have the same Worktag, EH&S will recharge all fees to that Worktag. If attendees have various Worktags, EH&S will charge a proportional percentage of the fees to each Worktag.

For class reservations, the class fee will be charged regardless of final attendance.

Individual personnel can register for open enrollment classes through the [EH&S Course Catalog](#).

EH&S will recharge the registration fee to the Worktag provided at the time of registration.

## Current Training Fee Schedule

Class	Class fee*	Individual registration fee
Asbestos Awareness Initial	\$0	\$0
Asbestos Awareness Refresher	\$0	\$0
Confined Space Entry Hands-On	\$5,720	\$475
Electrical Safety in the Workplace	\$1,325	\$55
Electrical Safety Low Voltage Qualified	\$5,385	\$215
Fall Protection	\$700**	\$35
Fire Extinguisher Training Hands-On	\$0	\$0
First Aid and CPR Certification	See <i>First Aid &amp; CPR Fee Schedule</i> below	\$85
Lockout Tagout Hands-On	\$500**	\$25

\* Note: Fees incurred for space reservation will also be added to the recharge total.

\*\* Note: While these courses are taught by EH&S instructors, this is total cost of the course workbooks.
