

Radioactive Waste Cost List

Prices are in effect as of January 31, 2018.

Waste Stream	Long-Lived Waste (>120 Day T _{1/2})	Short-Lived Waste (<120 Day T _{1/2})
Dry Solid Waste	16.00/pound	8.00/pound
Absorbed Aqueous Liquid Waste	46.00/pound	NA
Animal Carcass Waste	87.00/pound	NA
Sampling Scintillation Waste	64.00/hour	NA
Disposal of Exempt Scintillation Waste	No Cost	NA

Notes:

- Bulk Scintillation Fluid, Non-Exempt Scintillation Vials, Mixed Waste, and Non-Hazardous Liquid charges are quoted upon request.
- All scintillation waste is sampled to determine disposal pathway and cost.
- Scintillation waste containing H-3 and/or C-14 less than 0.05 uCi/ml is collected and disposed free of charge.

Visit the [Radioactive Waste Management web page](#) for detailed information on safely disposing radioactive waste.

Contact EH&S's Radiation Safety team at 206.543.6328 or e-mail: radsaf@u.washington.edu for more information about radioactive waste.
